

SLIM VOLUME

BIOGRAPHY

Formed in 2023, Slim Volume is an indie rock band based in Southern New Hampshire.

Their sound merges modern indie rock attitude, alt-country warmth, and lush vocal harmonies reminiscent of classic rock. With multiple contributing songwriters, the band is constantly redefining its style, and creating music that resonates with a wide range of listeners.

Having already opened for regionally recognized acts, garnered local radio play, and performed at countless local venues, Slim Volume is poised to make waves with their debut full-length album in 2026.
